RE: Annual Review of Base Rates for Fuel Costs of Dominion Energy South Carolina,  
Inc. (For Potential Increase or Decrease in Fuel Adjustment)  
**Docket No.: 2022-2-E**

Dear Ms. Boyd:

On April 28, 2022, the Public Service Commission of South Carolina ("Commission") issued Order No. 2022-290 in the above-referenced docket. On May 9, 2022, the South Carolina Coastal Conservation League ("CCL") and the Southern Alliance for Clean Energy ("SACE") (collectively, "SACE-CCL") filed a Partial Petition for Reconsideration and/or Rehearing on the issue of Dominion Energy South Carolina, Incorporated's ("DESC") calculations and updates to the components of value for Net Energy Metering ("NEM") Distributed Energy Resources ("DER") (commonly referred to as the "NEM value stack"), which were approved by Order No. 2022-290.

On March 15, 2022, the South Carolina Office of Regulatory Staff ("ORS") prefiled the Direct Testimony of Gretchen Pool ("Witness Pool") with the Commission, which set forth ORS's recommendations resulting from the examination of DESC's updates to the components of value to the NEM value stack. Witness Pool testified that DESC was in compliance with Commission Order Nos. 2015-194, as modified by 2021-569, and the Commission Directive issued on November 16, 2021, in Docket No. 2021-88-E. Witness Pool did not recommend any adjustments to DESC's updates to the NEM value stack and requested that the Commission accept DESC's proposed updates. ORS maintains the positions set forth by Witness Pool in her prefiled Direct Testimony.

By copy of this letter, I am providing notice to all parties of record. Thank you for your prompt attention to this matter.

Sincerely,

Nicole M. Hair
